8/13/69

Dear Hal,

Hasty thanks for copy Square. When you again have occasion to send printed matter, use book rate or printed matter. You can insure this and still spend less. It is, for books, but 12¢ 1st lb, 6¢ each additional, plus insurance, if desired.

Little new. I've finished long long draft of Ray/King addition to COUP and must read and correct before retyping.

I think the content is excellent, but have no idea about the writing or how I did with it and will not until after reading. I hope it is okay.

Hurriedly,
